Foreword

Lehman is known for its spirit which supports school activities as well as for its prowess in these activities. And whenever Lehmanites show school spirit, they sing.

To the Polaris staff the most outstanding song we sing is "Hurrah for Lehman!," for its proud words seem to typify the Lehman spirit—our admiration for Lehman and all things about it. That's why we've chosen these lyrics to strike the keynote of the 1944 Polaris. So as you turn these pages, remember that our idea is the same as yours:

*Hurrah for Lehman! you're the best today;
Hurrah for Lehman! we are yours to stay.
Under your colors of scarlet and gray
We with all our might will see fair play, I tell you.
We have the building and the faculty,
We have a football team—Oh Gosh! Oh Gee!
We want to stand right up and cheer, don't we?
Hurrah for our Lehman High!*

*A patch of daylight surrounded by infinite darkness—night game at Fawcett;
The band drilling discordantly under the hot September sun,
Clocks that are never quite sure what time it is,
The roar of an Army training plane swooping low over the building,
A white pigeon nestling on the window sill of Spanish class,
Rainbow jalopies, and cheeseburgers at the "A,"
Sweaters, blue jeans, bow ties, and soft billowy prom gowns,
The banshee wail of the windows on a windy day.
Settling all the world's problems in history class,
A Hi-Y pin,
Yelling the "Whisper,"
A stray whistle of "I can't give you anything but love, baby," and the choir
 caroling through the halls.
The boys in the service who keep coming back—
Lehman.*

—JOAN SHAHEEN.

Dedication

MISS JESSIE J. BURROWAY

Miss Burroway's outstanding trait is her burning interest in American history. Almost every fall she returns from extra study, full of anecdotes and new ideas that make her subject a living story. Her classes are interesting because of her lectures, similar to those given in the best colleges. Primarily Miss Burroway is a good teacher, one who not only teaches but inspires.

Just as important is her attitude toward her students and school life. She goes out of her way to aid students by giving them the opportunity to do extra work. Also endearing her to her students is her lack of sarcasm. Miss Burroway has a real interest in school affairs but never pushes her way into them. These traits, along with her impartial treatment of all, make her the friend of every student.

In grateful appreciation for her many contributions to Lehman, the Polaris staff affectionately dedicates this annual to Miss Burroway.

SCIENCE

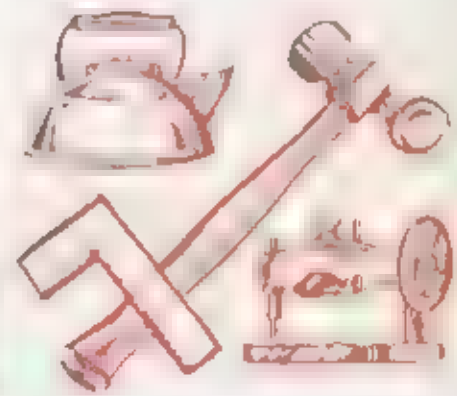

Valences, equations, and bunsen burners are chief among the thoughts of *Lloyd Cline*, chemistry and general science teacher. Lehman's "super-spirited" *Margaret Heinrichs* spends her time in chemistry classes keeping the tear gas in the bottle. *William Mutchmore*, biology teacher, has devoted this year to explaining just why frogs eat bugs, dogs eat liver, mares eat oats

Physics Lab

Making waffles in Home Ec.

VOCATIONAL

James Berry's knowledge of shop is very helpful to his students this year as he prepares them to take their places in the war factories. *Margaret Stolzenbach's* home economic classes are especially popular because of the wonderful food that is served. *Nolan Blackman's* classes in mechanical drawing are the object of much desire by Lehman's girls, as they are made up entirely of boys.

MATHEMATICS

"Uncle" J. J. Hutchens' algebra classes are more than interesting, especially at Christmas time when he tells his traditional "Les Miserables". Margaret Buel's knowledge of mathematics is the envy of many a man. She also chaperons girls to Canada every summer for several weeks of camping. Teaching two of the toughest subjects, algebra III & IV and physics. Wendell "Burly" Williams is also adviser for Lehman boys. Paul Roby is new at Lehman this year but has already become a favorite geometry teacher and assistant athletic coach.

SOCIAL SCIENCES

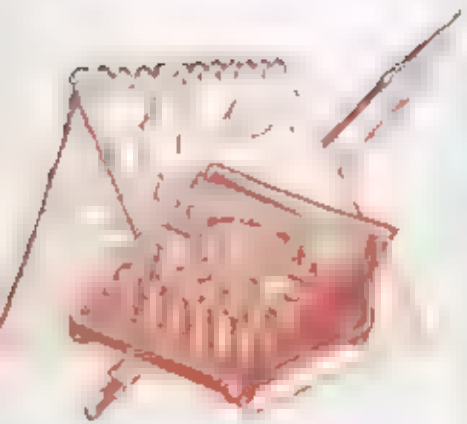

The history classes taught by Jessie Burroway are always eagerly anticipated because of the interesting lectures she gives. Lehman's lawyer, William M. Jerles has civics, business law, and mechanical drawing on his list of daily activities. Alvena G. Baer teaches European history and freshman English. Teaching sociology, one of the most interesting subjects offered at Lehman, is Genevieve Mahan. She also has classes of economics and Latin American history.

COMMERCIAL

Veda Rensch, a newcomer at Lehman, teaches short hand and typing. Teaching helpful bookkeeping principles is *A. M. Rickert*. *Albert Lawrence*, better known as "Shorty", is one of Lehman's most diligent teachers. On his list of activities are typing teacher, school treasurer, faculty manager and head of the *Polaris* and *Journal* business staffs.

ATHLETICS

Jim Robinson, boys' gym teacher and head athletic coach, is a close friend of all athletes, and the attention shown him in assemblies is proof of the respect that all Lehman holds for him. *Ruth Sickafoose*, girls' gym instructor, teaches the fine art of marching and work on the apparatus. She is faculty adviser to the Girls' Leaders Club.

LANGUAGES

Teaching Lehman's linguists to say "yes" in any language are *Matilda Schuster*, first year French teacher, and *Dorothy Vogelgesang*, who does her best to further the good neighbor policy in the Spanish-speaking countries, and who also instruct the students in French II. *Margaret Ketterer*, active adviser of Student Council, is second and third year Latin teacher, while *Grace Seesdorf* initiates freshmen into first year Latin.

Buenos dias, senor!

Don's in charge of English class for the day.

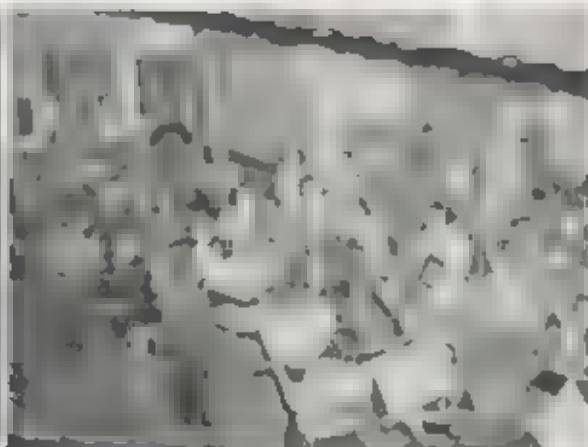

ENGLISH

Lucile Leiter and *Nancy Eloise Lewis* instruct freshmen and sophomores in English. Miss Lewis is also faculty adviser for the *Polaris*. *Mildred Wilson Heinrichs* teaches sophomore English, business English and secretarial studies. *Florence E. Hill*, and *Esther G. Smith* introduce juniors to American literature. Miss Hill teaches dramatics and directs plays and operettas, while Miss Smith teaches journalism and is adviser for the *Journal*. *Florence N. Willett* teaches two elective courses, English IV and public speaking, in addition to freshman English. She is known among the girls for her work as girls' adviser.

ARTS

Teaching some of Lehman's more artistic students the fundamentals of art is *Maude Rose*, who is also art adviser for the *Polaris*. *Ruth Cogan's* favorite expression 'sternums up' is very familiar to chorus and choir members. She is also the director of many good musical productions. The man with the baton seen at all Lehman football games is *Ledie Hanson*, band and orchestra instructor. Known for her eagerness to help students in the library is *Grace Mahan*, who is in charge of the library.

A SENIOR'S RECOLLECTIONS

June, 1941

Dear Diary,

Well, I made it! I passed that Latin after all. But gee, this certainly has been a swell year. Even if my lunch didn't digest during the first week at Lehman, I soon got the knack of high school life and was more sure of myself. I could even find my way around the halls without being late to classes! Remember how excited we kids got when Don, Bill, Helen and Kassie were elected our first class officers? Weren't there some super performances in "The House Beautiful" and "Firefly"? Wonder what next year will be like?

June, 1942

Dear Diary,

Greetings! I got my report card this P.M. and now I'm not a sophomore anymore. Seems awfully funny. Remember how important everyone felt when Helen and Bob were elected officers of Student Council? Bob was our class president too. I'll never forget that impressive assembly we had on December the eighth after Japan had attacked Pearl Harbor! I guess we're really growing up! Most of the boys went out for football and basketball, and Bevier, Bob, and Jim really made names for themselves. Remember those brisk autumn nights out at the stadium when I yelled my head off for the team? How excited we were when the basketball team reached the State Class A Semi-finals at Kent! Gee, what a year!

June, 1943 ⁷⁻

Dear Diary,

I'm going to be a senior! I can hardly wait! I had loads of fun this year though. It sure was super singing all those old time songs in "Musical Stars". Remember Polly, Leota, and John in their Gay Nineties costumes? I was certainly proud of Shog in her role as attendant to the Victory Queen. This time Maury helped when our basketball team really went to town and proved we had something. (Not that I'm boasting!) Bill started something with his cheerleading too. Some of the kids are now in National Honor and Quill and Scroll, and others took Thespian laurels. Even so, I still think the Prom was the most exciting event to all of us with Dick and Marve Ann leading the grand march. Wonder if I'll get invited next year?

June, 1944

Dear Diary,

I don't know whether to cheer or weep! I got my diploma today and said good bye to Lehman. I've spent four happy, memorable years in her halls and can never forget her. All the colorful operettas, autumn football games, classes, teachers, friends—these will always be very precious to me. I'm going to college now, but a lot of my classmates are going off to war and others are entering factories and offices. For war or peace our four years at Lehman have prepared us well.

FRIDAY NIGHT DATE

The Polaris photographers follow Jim Vail and Ruth Schumacher on a typical Lehman date.

Man-about-town Vail phones Ruthie one Wednesday evening. Friday arrives and finds Ruth primping for the big evening.

No waiting around for THIS date—Ruth greets Jim at the door.

Loew's theater is a favorite place for entertainment.

No date would be complete without a hamburg and french fries at the "A".

And so good night, . . . Hey, how did this get in here!

JUNIOR-SENIOR PROM

The Junior-Senior Prom, the most important social event of the '42-'43 school year, was held May 14 at the Odd Fellows' Temple. Nearly two hundred couples danced from 8 to 12 to the music of Tony Rose's orchestra.

The hall was gaily decorated in the South American way with various Mexican scenes carrying out the "Good Neighbor" theme. Especially realistic was the huge capitol building that served as a background for the orchestra. The decorations were by a junior committee under the direction of Miss Vogelgesang and Dick Janson.

Outstanding event of the prom was the presentation of Marilyn Wagner as queen and Barbara Crandall as junior attendant. Following the grand march, the girls were escorted to the throne by Dick Janson, junior class president, and Bob Augsburger, vice-president.

Intermission entertainment was furnished by that sterling quartette composed of Hughes, Bergmayr, Bobbitt, and Lothrop. Jackie Albright did a lively Spanish dance. Refreshments consisting of cookies and punch were served by a committee of sophomores.

Attendant Barbara Crandall*

The quartette composed of Bud Hughes, Bob Bergmayr, John Lothrop, and Jack Bobbitt gives out with "Yankee Doodle Dandy"

Some Seniors

On basketball courts he will not yield—
He's also tops on the football field,
A Cappella, All-state team—
Do you question that he's on the beam?

Joan Shabeen is our '44 editor.
The Lehman Journal is a credit to her.
Joan and her stories will soon be as
famous
As McCarthy and Bergen or Andy and
Amos.

He is short in size but long on brains—
In the gym, as in the class, he reigns.
If it's facts we need, we'll all subpoena
Our N.H.S. pres— Paul Arena.

When basketball skills she does essay,
Her opponents turn out like cheese
souffle.
So here's to athletic Pat Foust!
A basketball game she's never up-loused.

Here's the boy from Calvary Presbyterian,
Who always with paints and crayons
is merian.
From Rembrandt to Dali there's been
no youth
To equal Bill's skill, and that's the truth.

She's unsurpassed in ability;
Each role's portrayed with facility.
Katie Cornell better look to her laurel
'Cause "bouquets" to Gerry—both oral
and floral.

To be a star on the football team
And National Honor to'uns
Would be uncommon, it would seem
For us, or we, or you 'uns.
But Master Dave is quite supreme
In both these major do'ins.

Celebrities

Guffaws and roars to our Red Himmel-

He's always busy—and gets everything
done.

What's more amazing—the boy has fun!

The opera may keep its Swarthout;
The juke box may blare its lungs out;
But our class has topped the quota
With the sweet singing strains of Leota.

Leading man and Polaris Ed.

Don has wit to spare, 'tis said.

And so this year with great facility

Our year book witnessed his ability.

The cinema has given us words that
define—

As—glamorous and fabulous; georgious
and sublime.

Posterity may later add "Slug" to the list,
Meaning: "a striking girl . not "striking
with the fist."

The class of '44 will raise a cheer

To Bob, our president this year—

He's what's called "the people's choice,"

He rates tops with girls and boice.

JUNIORS

Fully prepared to take the reins of leadership at Lehman is the versatile junior class.

Chosen by the student body to guide them next year was Bill Phillips, president of Student Council, also a promising gridder, while Bill Biel, stocky standout in football and basketball, was elected president of the junior class. Attractive Virginia Fick, prominent in Girls' Leaders, on the Journal and in the band, was elected treasurer of Student Council. Ginny was also attendant to the Football Queen.

As an innovation, the juniors invited the seniors to their party this year to enjoy the music of Harry Woodfield's orchestra.

Promising Thespians are Renee Marconi, who played a sophisticated role in the class play, and Joan Kuemmerling, who realistically portrayed the grandmother. Outstanding work in the operetta was done by Jim Kelly, Al Newman, Don Judisch, and Dave Turnbull. The most promising member of his class in the literary realm is blond John Landor, a member of the Journal staff.

Besides those already mentioned, Bill (Red) Snyder, a newcomer from Columbus, Lewis Wright, and Emery Diehl are notable in athletics.

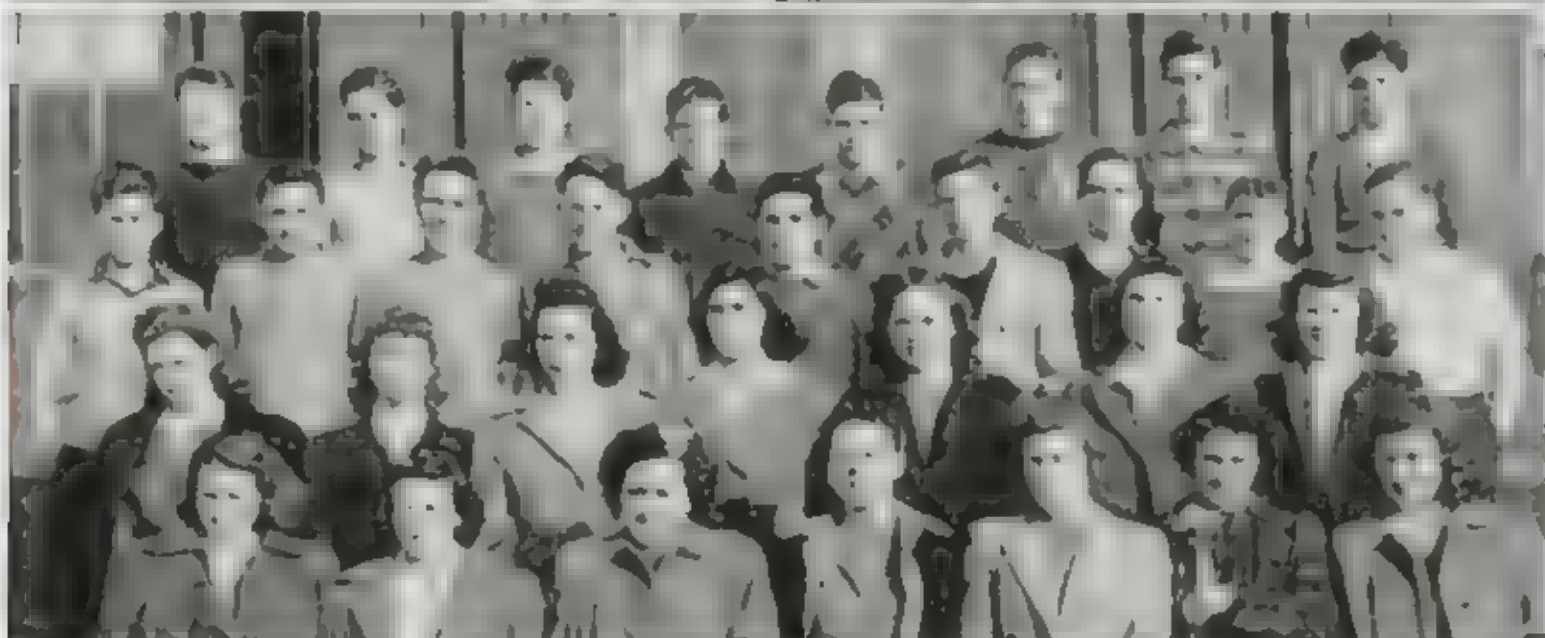

Magician Jim Ray, prominent member of Boys' Leaders Club is largely responsible for the stage settings of Lehman productions. Serving on the Polaris staff are Charleen Kring, Mary Louise Bidwell, Dave Turnbull, Ruthe Cunningham, Gene Smellie, Kate Westrick, and Raymond Janson.

The juniors' most important work is yet to come, but, judging by past records, Lehman will be proud of the class of '45.

SOPHOMORES

Hidden talents are becoming known as the sophomores complete their second year at Lehman.

Marling Abel, promising material for Coach Robinson's future teams, is president of this class, while Dick Scott, another athlete, is vice president. Keeping the records is secretary Susie Hinkle, also secretary of Student Council; taking dues is Jean Orndorff, prominent in girls' athletics.

Dave Mitchell, Bill Saint, Norman Jackson, and Phil Hungerford were all standouts in football, while Pete Cox, Jack Looby, Dave Puddington, and Tom Raber held the underclass spotlight in basketball.

Bob Jones helped boost our famous cheering section at the basketball games. Prominent in dramatics were Johnny Molden, David Groves, Nancy Putman, Louise Vogt, Gloria Forsythe, and Caroline Weintraub. To the football court the sophomores contributed attractive Arden Poorman.

Carrying the responsibilities of solos in the operetta were Marilyn Young, Barbara Smith, and Marilyn Watson.

The sophomores are proud of their record in holding top honors in the sale of war bonds and stamps this year.

Among the many talented people of this class Don Steiner is one of the best, and he is sure to go a long way with his ability for writing and acting.

The sophomores have come half of the way now, and it looks like the other half will be full of learning, fame, and fun too.

LEHMAN CUTS A RUG

Am't we got fun? • • Blond Bombshell Betty goes into his act. • • Fun at the Junior Party. In that romantic mood at the Soph party. • • Queen Shatter rules with her court at the football dance.

The swing tunes of the Hit Parade will be well remembered by those who attended the prominent school dances—the football dance, sundry class parties, spring basketball dance, and the Prom.

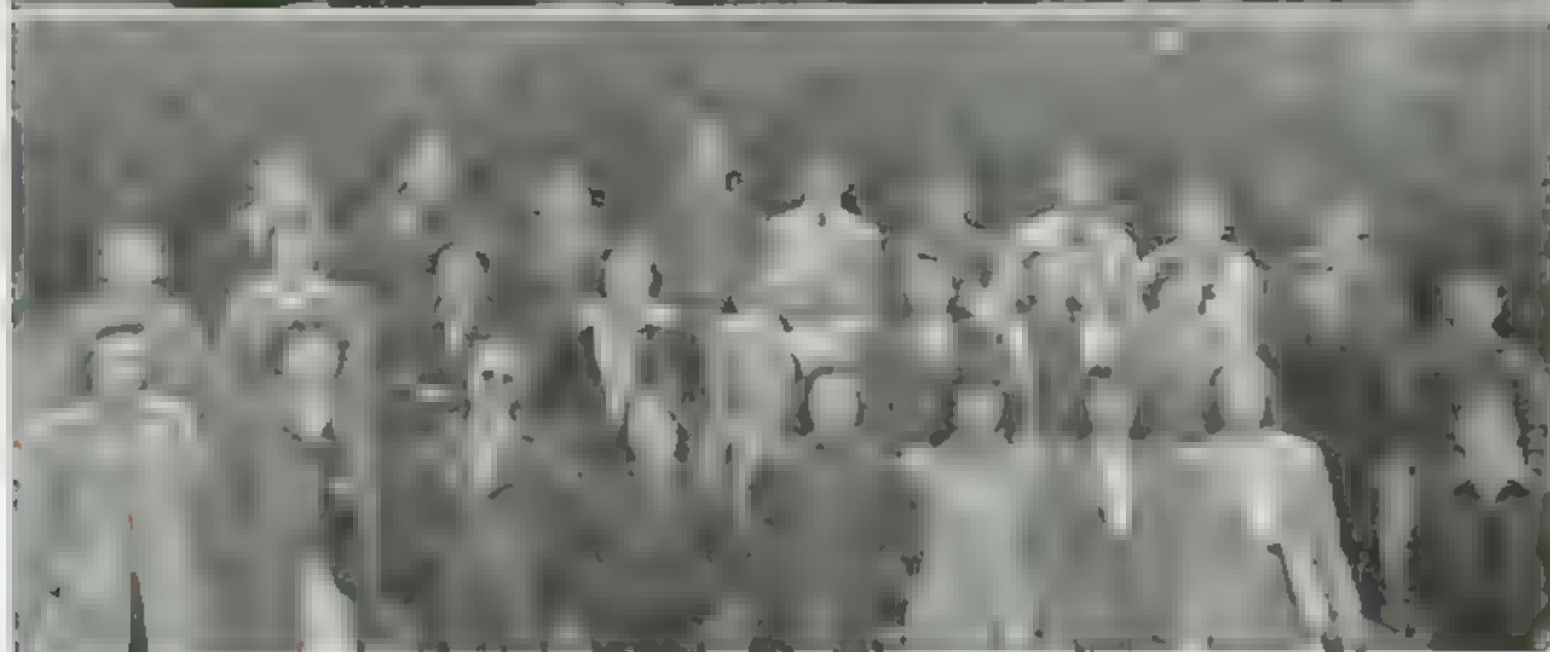

The absence of decorations and elimination of all unnecessary frills created a war time theme at most of the school social affairs. An innovation in class parties was the fact that the Lehman students were welcome at the party sponsored by each class.

The annual football dance was held in the gym this year to the rhythmic strains of Harry Woodfield and his orchestra. The team was in charge of the floor show at intermission. The dynamic acting of Bell & Co. created memories that will live for years to come. The final event of the year was the Junior-Senior Prom held May 20, at the Nazir Grotto Hall.

FRESHMEN

Getting a good start toward a successful career at Lehman are the freshmen.

They have chosen Dick Smith, active in dramatics and athletics, as their president, John Maxson as vice president, Marjorie Fick, secretary, and Peggy Barker, treasurer.

Also outstanding are brilliant Adele Gillispie and lovely Barbara Gibbs. Pat Henne was the fresh contribution to the beauties at the Football Court. The identical twins, Marian and Lilian Torgler, are filling the vacancy of the Walter twins in looks, charm, athletic and scholastic ability. Ann Biedenbach, though only one, claims her share of personality and attractiveness too.

Among the outstanding members of the Dramatic club are Ann Westrick, Leland Cope, and Marilyn Pyle.

Many people wondered, when they saw Billy Casper and Russell Janson running about the halls whether Lehman was really a senior high school or not. 'Little things' like this should not bother this class, because it certainly makes up in abilities what it lacks in stature.

Already proving their worth in athletics, both basketball and football, are Dean Becker, Jim Wuske, Jack Holl, and Bill Eckert. Football player Phil March is also quite the Casanova, especially around some upperclass gals. This is something new!

We believe the freshmen can take it, so we are wishing them much luck and three more successful years like the last one.

GRIDIRON ROYALTY

*Presenting the 1943 Football Queen,
Joanne Shaffer*

On October 29, at the stroke of 8:00 Lehman's Cinderella Queen of the gridiron, Joanne Shaffer, was ushered into Fawcett Stadium to reign over the Polar Bear-Akron Kenmore game. The Queen's attendants were Ruth Schumacher, senior; Virginia Fick, junior; Arden Poorman, sophomore; and Pat Heane, freshman. The regal procession entered a blue convertible and then proceeded along a passageway formed by members of the band. The queen then met her handsome princes, Co-captains Dorland and Frease and the rival Kenmore captain, who presented her with a spray of golden chrysanthemums. Bill Barker escorted the smartly-dressed group to a throne decorated with patriotic red, white, and blue.

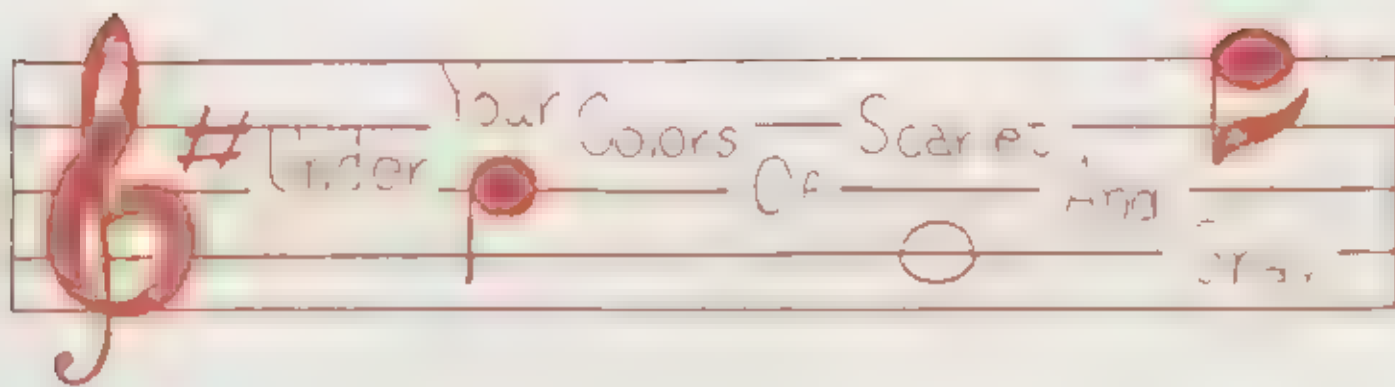

At halftime the band played several songs in honor of Joanne and her attendants. This pageant had a happy ending as Lehman registered a 14-0 victory over Kenmore.

The committee in charge of the event, which was sponsored by the Journal staff, included Susie Hadley, Ivy Palmer, John Landor, Shirley King, and Joan Kuemmerling.

Queen Shaffer and Co-Captains Jack Frease and Jim Dorland with attendants Virginia Fick, junior; Arden Poorman, sophomore, Pat Heane, freshman, and Ruth Schumacher, senior.

Have you ever said "Thank you" to those helpful girls in the library? It's true that very few people pause to appreciate the real services which are performed gladly every day and many hours after school by our willing librarians.

Many and diversified are their duties. They are taught to help students select books, use catalogues, and use reference books. The girls also care for special reserve shelves, file periodicals, charge and shelve books, collect and record fines, and help maintain the orderly appearance of the library.

Those desiring to become librarians are given a general information test. Juniors and seniors, with preference given to seniors, are then chosen by Miss Grace Mahan, our competent librarian.

Barbara straightens the shelves.

DRAMATIC CLUB

The officers: Helen Cope, treasurer; Polly Corbin, secretary; Bill Donze, vice-president; Dick Janson, president.

Miss Hill shows them the finer points.

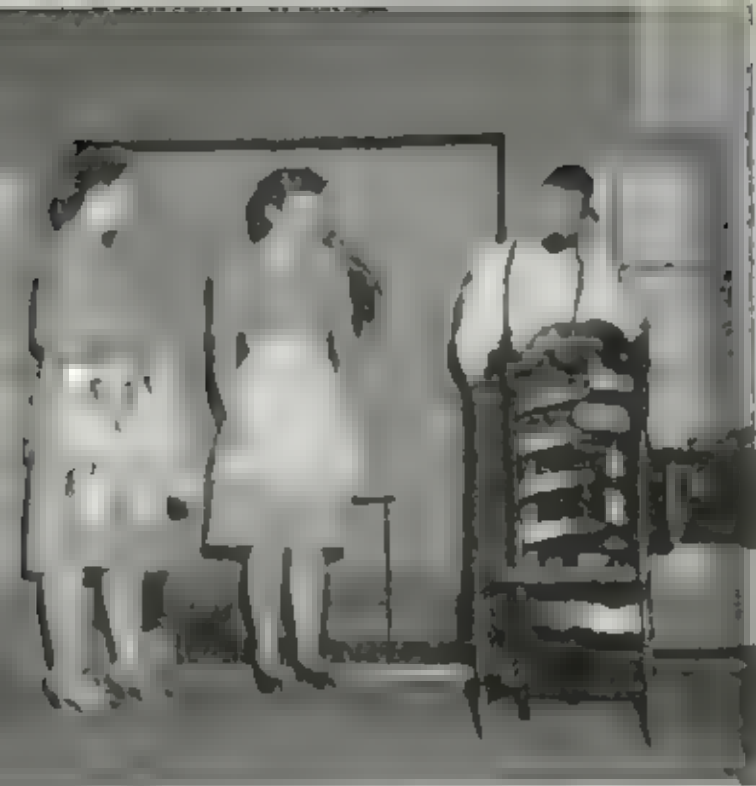

To become a member of the Dramatic Club is the aim of every Lehmanite with a desire to act. Sponsored and directed by Miss Hill, the organization is one of the most popular at Lehman.

Members must have an acceptable tryout at the beginning of the year and if accepted in their freshman year, may retain membership the next three years, if they wish.

Meeting every two weeks, members participate in plays and skits for the school, the club, and outside organizations. Also backstage work with costumes, make up, and props serves to prepare qualified people for National Honorary Thespian Membership, the highest honor attained by a high school dramatist.

"IN A HOUSE LIKE THIS"

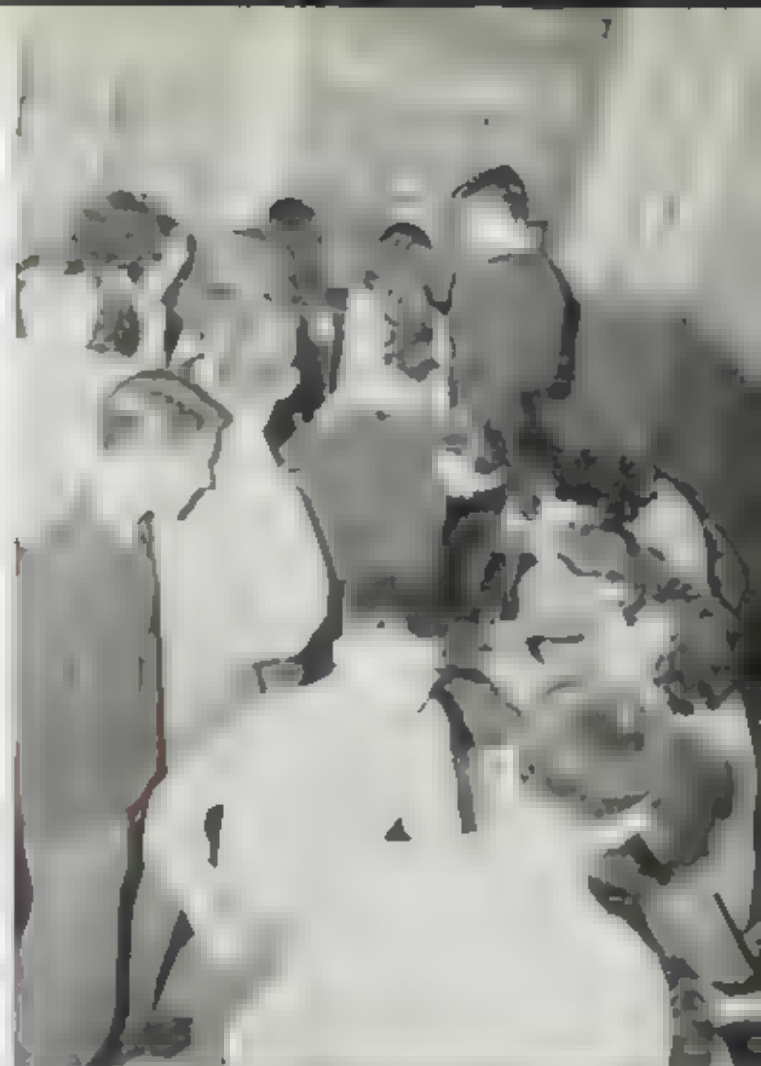

The annual junior-senior class play, "In A House Like This", was presented with great success on November 19. Vera Hafer played Rhoda, the maid, and Helen Cope and Dick Janson were the parents in this story of a typical American family. One of the romantic complications was furnished by Ernie Roth as Ronald, and Gerry Staley as Mary.

Don Rogers and Kassie McClain as another romantic pair, Renee Marconi as a society woman, Raymond Janson as the handy man, and Barb Stewart as the faithful friend all contributed to the success of this comedy. Outstanding in the leads were Bill Donze as the stage-struck son and Joan Kuemmerling as the sarcastic Granny. This production was ably directed by Miss Florence Hill.

LEHMAN AND THE WAR

The pictures to the right illustrate the activities of Lehman in the field of War Bond and Stamp sales. The top photo shows a typical scene in 209 on Bond and Stamp day, when representatives from each home room fill orders under the supervision of Mr. Lawrence. The Minute Man flag was presented to Lehman for ninety per cent participation in stamp sales among the student body. Stamp sales last year amounted to approximately \$156,000, while at press time this year, with several months yet to go, sales already amount to \$156,000. Lehman is doing its part in the war effort!

Lt. Clyde Banks and Capt. Bill Thompson are only two of the many Lehman boys who have entered the service of our country. On Navy Day Lehman had as visitors the following members of this branch of our our armed forces: Apprentice Seamen Roderick, J. McCoy, Buehler, Schirack, O'Brien, Dutton, D. McCoy, Farley, Lanning, Krammes, Lothamer, Kloss, Weida, and Ivanoff.

QUILL AND SCROLL

The ultimate goal of any writer in high school is the privilege of wearing that emblem which signifies membership in the International Society of High School Journalists.

To become a member students must have done superior work on either of the two publications, the Journal or the Polaris, and must be in the upper third of the junior or senior class.

These requirements, plus a recommendation by the faculty advisers, Miss Lewis, Miss Smith, and Mr. Lawrence, have always been met by capable staff members.

In 1938 Lehman received its charter from the Quill and Scroll Society and chose five members during that first year. This year's chapter has a total membership enrollment of twenty thus revealing how interest in journalistic activities has developed through the years.

THESPIANS

Row 1—Helen Cope, Renee Marconi, Joan Kuemmerling, Kathryn McClain.

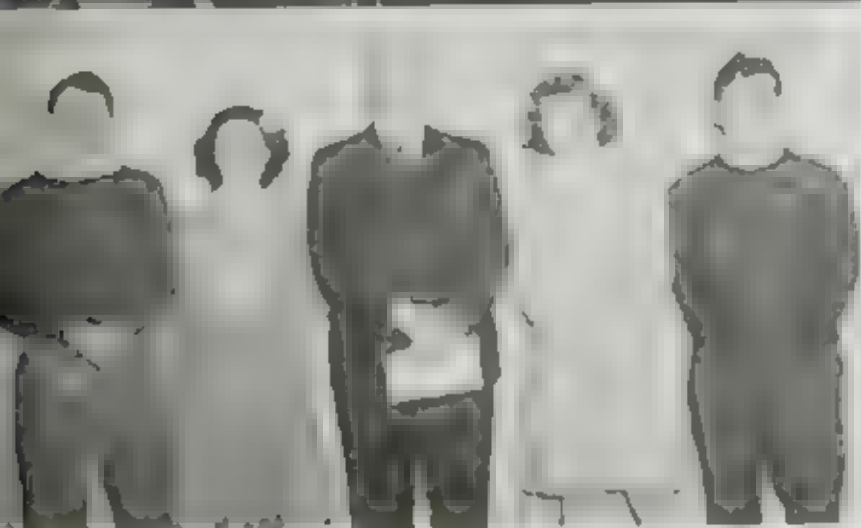

Row 2—Alan Newman, Sue Mackenzie, Gerry Staley, Mary Ruth Sherer, Phil Kortkamp.

Row 3—Don Rogers, Ernie Roth, Bill Donze, Dick Janson.

The elite of Tehman dramatists are the Thespians. Although many desire to become a part of this group, only a few realize this wish, for the road to Thespian membership is long and difficult.

One hundred points are required, and qualified members must have had seventy-five lines in at least two acts of a three-act play. The other twenty-five points are obtained by back-stage work. Members work with props, costumes, and make-up, thus gaining valuable experience for work of the same type in the future.

Forming a substantial backdrop of talent for all school productions, Tehman's Thespians have proved that they are talented and clever enough to gain well deserved praise and recognition in anything they may undertake.

LEHMAN GOVERNMENT ASSOCIATION

Without a doubt, the Lehman Government Association is the most vital organization in the school. Composed of elected representatives from each home room, the council presents the students with a greater opportunity in deciding essential school issues for themselves. All items of interest are considered during stormy and placid meetings; nevertheless, all of Lehman benefits by the decisions of this group.

One of the very successful projects sponsored in 1943 and 1944 was the record sale of pencils, the proceeds of which were used to send Christmas cards to all Lehman servicemen. Student committees have also taken charge of pep assemblies this year. Through the persistence of this group, successful honor study halls during lunch periods are now a reality. As in other years a get-acquainted party for new underclassmen received enthusiastic response. The football dance and the spring dance offer further proof of the able potency of this organization.

Officers for this year were Jim Dorland, president; Bill Phillips, vice-president; Shirley King, secretary; Susie Hadley, treasurer. Advisers were Miss Heinrichs and Miss Ketterer.

Few persons who seize the eagerly awaited Journal from the desks on Friday ever stop to realize how much they owe to the members of the Journal Editorial Staff. These are the people who have been chosen for their outstanding work in the preceding year's journalism classes. They are the same people who utilize their desire to write by covering all news of the school and by fostering all activities.

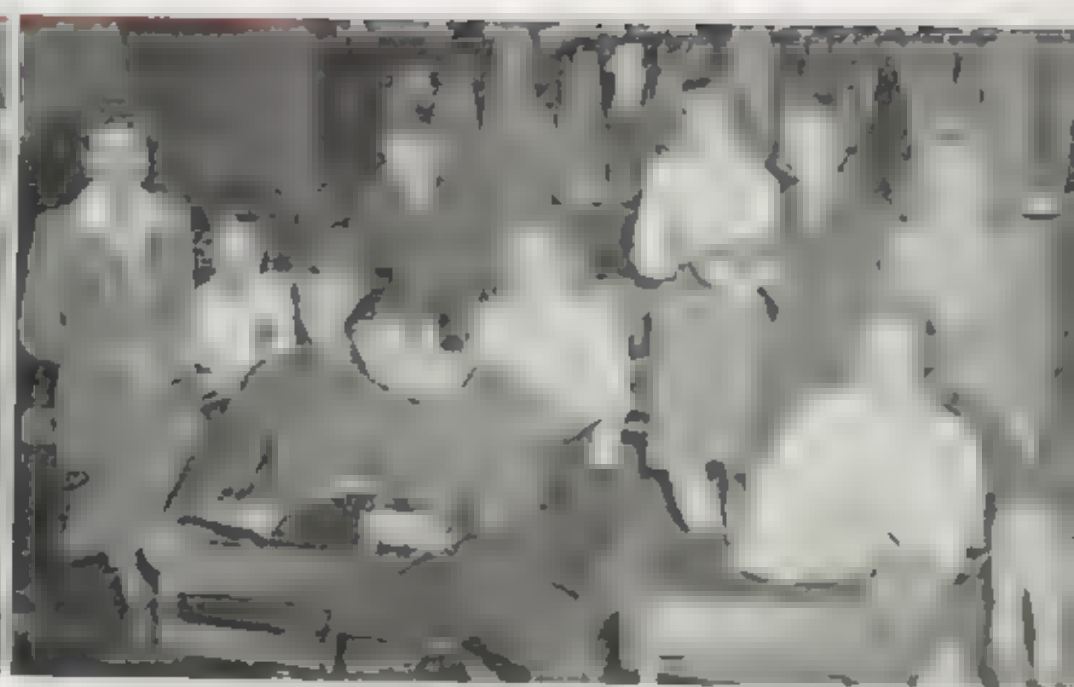

As in other years, the staff supervised the election and publicity for the football queen and her attendants. Each year too, this enterprising group sponsors some project. This year they conducted the highly successful "Stampaign." As a result, a Journal is now sent to every Lehman serviceman at home and abroad. From their enthusiastic replies, it's certain they appreciate it, and we too appreciate Miss Smith and her staff.

POLARIS STAFF

Seated: Gene Smeaton and Dave Turnbull, Photographers; Barbara Toot, Assistant Editor; Don Rogers, Editor.

Standing: Glen Schwarz, Photographer; Eleanor Lang and Mary Helen Hawke, Senior Editors; Bob Flaesser and Mary Becker Athletic Editors.

Seated: Charleen Kring, Organization Editor; Bill Barker and Jack Fisher, Artists; Rosalie Moore, Feature Editor; Ruthe Cunningham, Artist.

Standing: Mary Louise Bidwell, Underclass Editor; Bill Egle, Feature Editor; Betty Radebaugh, Girl's Athletic Editor; Boreva Offenburger, Typist; Betty Balmer, Artist.

The Polaris Staff is composed of members from the junior and senior classes who are chosen for journalistic ability, for originality, and for artistic talent. These are necessary requirements since members are responsible not only for writing copy but also for designing the cover, selecting the theme, and taking and arranging the photographs.

The annual is perhaps one of the best ways of remembering and recalling a school year. It is the duty of the Polaris Editorial Staff to prepare an accurate picture of life at Ichman. In doing so, staff members secure a practical knowledge of editorial work while learning to plan pages, mount pictures, and create write-ups which form a true reflection of the varied activities of every phase of school life. Miss Lewis serves as adviser to the staff.

Although they are seldom remembered when their work is completed, the members of the two business staffs deserve a great deal of credit for the success of both publications.

Members of the Polaris business staff spend many hours after school soliciting advertisements and subscriptions from patrons to help meet the cost of the annual.

The duties of the Polaris and Journal business staffs are very closely related. People of the Journal staff are constantly seeking new advertisers, selling space, and setting up the advertisements to keep the Journal on a paying basis.

Another important faction of the Journal staff is composed of those in charge of circulation. The familiar cry to "get your Journal" in the halls on Friday is a part of their contribution to the success of the paper, and they also attend to the distribution of the Journals to every subscriber. In addition, members cheerfully stamp and address each copy of the paper which is sent to every advertiser and to every Lehman alumnus serving our country. Mr. Lawrence is adviser to both business staffs.

NATIONAL HONOR SOCIETY

Character . . . Service . . . Scholarship

Leadership. These are the four qualities which distinguish members of the National Honor Society. One of the last and most significant occasions of the year is the annual spring assembly when new members are installed and the juniors are "tapped" during an impressive pageant. Membership is limited to the highest five percent scholastically of the junior class and to ten per cent of those in the upper third of the senior class.

Assisting the ration board in the fall, acting as emergency clerks in the office, and conducting a freshman assembly to explain extra curricular activities, techniques of study, and the purpose of the society, have kept officers and members more active than in past years.

Paul Arena, president; Jack Fisher, vice-president; Mary Helen Hawke, secretary; and Irving Gordon, treasurer, are the officers for this year.

Presenting the finished product

Some of the outstanding musicians of the school are to be found in the orchestra. Meeting as a class twice a week under the supervision of Mr. Leslie Hanson, members play an important part in assisting the Dramatic Club during almost all performances. This year too the orchestra rendered the overture of the operetta. The spring concert, Baccalaureate, and Commencement services provided a fitting climax for the year's work.

A CAPPELLA CHOIR

To those of the freshman chorus, A Cappella Choir seems a faraway realization. To those of the choir, it means hours of intense work combined with fun. Choir members soon realize that the success of any performance depends upon the perfection of the endless vocalizing; but this too has its compensations.

Under the excellent guidance of Miss Cogan, choir members participated in the traditional caroling through the halls at Christmas and joined the Dramatic Club to present the beautiful Christmas program. The height of the year's work was the presentation of the operetta "The Fabulous Invalid," which can rightfully retain a position among Lehman's most successful musical productions. The year's work will be terminated by singing at Baccalaureate and Commencement exercises.

BAND

Lehman's band is an essential part of the school. Meeting three times a week for strenuous practices under the direction of Mr. Hanson and tirelessly drilling under Mr. Berry's supervision, the band and the pert majorettes led by Edith Rudersmith deserve a great deal of appreciation.

This year band members, in addition to marching at football games and providing a musical stimulant for pep assemblies, presented the ever-successful spring concert and participated in the Decoration Day parade.

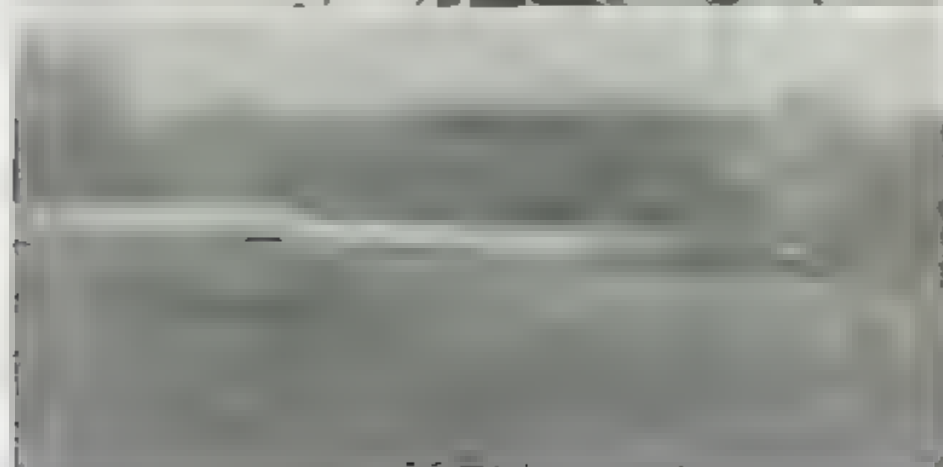

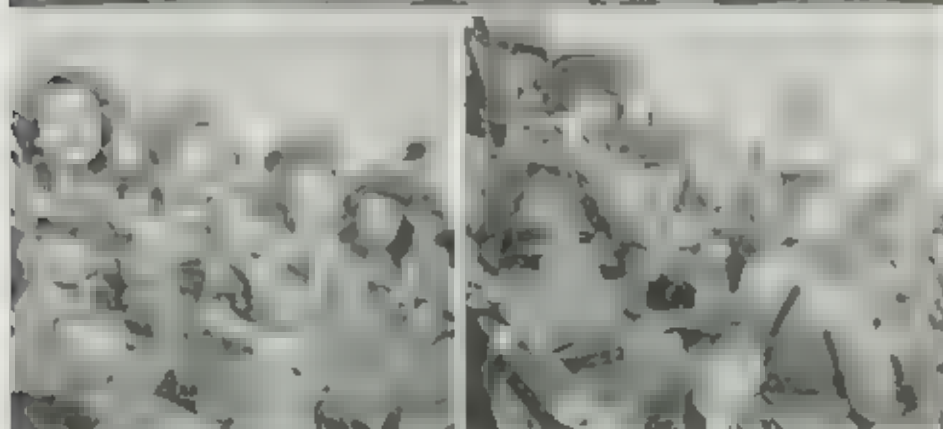

This year something new and interesting was added. Football halftimes were brightened by the appearances of "Schickelgruber's Sloppy Seven", the pep band led by Glenn Stephens. This talented group was also a part of the program for the Football Dance. During the basketball season, two new members were added to form a pep band for assemblies and games. This band's immediate success has insured its appearance on the program for the Prom.

Band officers for the past year were Glenn Stephens, president; John Landor, vice-president; Rodney Harrison, secretary; and Sid Kaplan, treasurer.

HERE'S TO COACH

JAMES R. ROBINSON

Here's to Coach for his untiring efforts on the gridiron, on the cage court, in the class room, and in his own little office adjacent to the gymnasium. He has been an outstanding member of the Lehman staff for the past eighteen years and has handled nobly the task of head football coach for that length of time. For the last two years he has also turned out outstanding cage quintets. Aside from his coaching duties he has classes in commerce and industry and first aid, teaches all the boys' gym classes, and supervises Boys' Leaders Club. He is also the second father to all athletic-minded boys, and many have profited from his valuable advice. Here's to Coach for many more successful seasons with future Lehman teams!

Lehman 25

Louisville 0

The 1913 edition of the Lehman Polar Bears was displayed for the first time in their opening tilt with an undefeated Louisville eleven. The Bears displayed a good passing attack that showed great promise. Bill Biel, the Bears' triple threat left-half, and Norm Jackson, a hard running halfback led the Polar Bears' offensive, which was far superior to that offered by the Blue Raiders. Biel, living up to pre-season predictions, ran, passed, and kicked in fine style and also scored one of the touchdowns. He was given considerable help by Jackson, a promising Sophomore, who scored two touchdowns and also drove through the line with amazing power. Ed Thatcher, the Bears' right-half, scored the final marker on a 19 yard pass from Biel.

Lehman 21

Akron Buchtel 6

The Lehman Polar Bears annexed their second successive win of the season over a big rugged Buchtel eleven. The Bears unleashed a powerful running attack after Chuck Renner, the Akron star fullback, had succeeded in crossing the Bears' goal line for the first score against them this season. Although playing without the services of their best defensive man, Bill Phillips, the Bears were successful in stopping the big Akron backs. Bill

Biel again led the Bears' offensive, scoring a touchdown and three extra points and rolling up a large percent of the yardage. Bob Elsaesser, one of the Bears' best passers, scored his first touchdown of the season on a short buck. Ed Thatcher again scored the final touchdown on a pass from Biel which climaxed a long march.

Lehman 38

Ravenna 6

Completely dominating the play throughout the game, the Polar Bears romped to their third straight victory over a valiant Raven team in the first daylight game of the season.

Bill Biel led the scoring with four touchdowns followed by Lewy Wright and Jim Dorland with one apiece. The Ravens' one touchdown was scored by Shaffer, their most outstanding player.

The Bears played an excellent defensive game and the play of Wright, Vail, and Livingston was most outstanding. This game marked the opening of new rivalry for the Bears which we hope will continue.

Lehman 13

Lincoln 26

Unable to get going against their bigger opponents, the Bears suffered their initial loss at the hands of the rugged Lincoln Lions. The bigger Lion line continually opened gaping holes in the

Bears' forward wall, and their backs often made sizeable gains.

The Bears played spirited ball, and their scores were made by Biel on a 9 yard run, and by Dorland on a sensational catch from Biel. The Lions' scores were made by Captain Mike Rejina, Jim Watson, and Arnold Cheyney.

The Bears' defense was headed by Dorland, Lewy Wright, substitute quarterback, and Emery Diehl.

Lehman 20

Orrville 0

Returning to the victory column once more, the Bears defeated a determined Orrville team in a game played in a steady downpour.

After being held scoreless in the first half the Bears really opened up and scored three touchdowns in the last half. Bill Biel led the scoring, breaking loose for runs of 50 and 60 yards, and Bill Snyder scored his first touchdown of the season on a five yard plunge. The rainy weather hampered the Bears' passing attack and they connected on only one out of five heaves.

Lehman 20

Timken 12

The Polar Bears gained revenge for their setback last year by the Trojans by defeating them in a hotly contested battle. Completely outclassing

the Trojans in the first half, the Bears scored three touchdowns.

Displaying a versatile attack, J. R.'s charges scored first late in the first period with Biel scoring from the one yard line, climaxing a 51 yard march. Beverly Bell scored the second touchdown on a beautiful 50 yard pass thrown by Bob Elsaesser. Their last touchdown was scored by Biel on a 15 yard jaunt.

The Trojans came back strong in the last half and displayed a good passing attack and their touchdowns were scored by Moore and Stan on passes from Stan and Sanchez.

Lehman 14

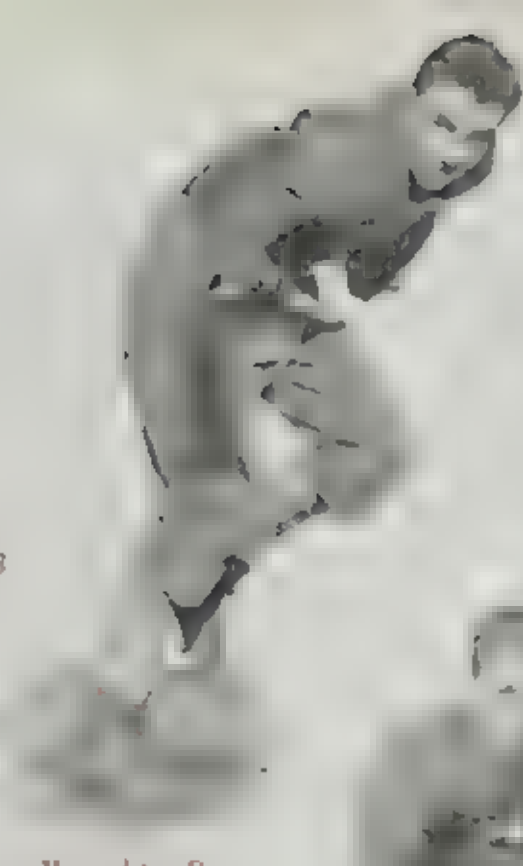

Akron Kenmore 0

In one of the slower games of the season the Bears won their sixth game. There was no scoring until two minutes remained in the first period when Biel climaxed a 44 yard march by running 12 yards for a score. There was no further scoring until the beginning of the fourth period when Freese smashed over from the one after another 44 yard march.

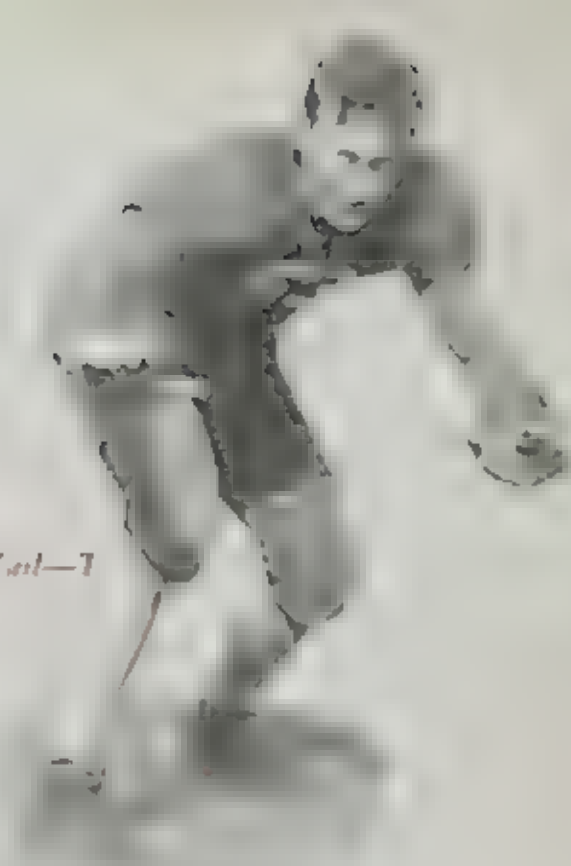

The Bears' defense proved very able to cope with the Kenmore backs with Dorland, Phillips, Anderson, and Vail turning in a good defensive game.

Lehman 21

Columbus Aquinas 2

Playing one of their best games of the season the Bears notched their seventh triumph. They wasted no time in scoring as Bill Phillips recovered an Aquinas fumble on the kickoff and on the first play Biel passed to Dorland, good for 28 yards and a touchdown. Aquinas scored its two points in the second period when Biel was tackled behind his goal. There was no further scoring until the fourth period when Lewy Wright caught a punt and raced 42 yards for the second score. The third score was made by Biel from the four, climaxing a 43 yard march.

This was probably the Bears' best game to date as the whole team turned in a good performance.

Lehman 26

Uhrichsville 7

In the last home game the Polar Bears romped to their eighth victory in one of the better games of the season.

In the second quarter Bill Biel opened the scoring by slashing off-tackle for three yards. He also kicked the extra point. Later in the same period, Lewy Wright scored on 53 yard pass from Biel. Bill again converted. Jim Dorland scored the final two touchdowns, one on a 55 yard return

of the second half kickoff and the other on a 40 yard pass from Bob Elsaesser.

The only Uhrichsville touchdown was scored by their star halfback, Bob Riley.

Lehman 19

Wooster 25

In probably the most exciting tilt of the season the Generals of Wooster High defeated the Polar Bears in the final game for the Bears.

The game was marked by brilliant running and beautiful passing.

The Generals were the first to score with Don Flood scoring from the five yard line. The Bears came right back with Lewy Wright scoring from the one. Wooster wasted no time in scoring again as they marched 75 yards with Swinehart scoring from the one. The Bears, not wishing to be out-done, roared back and scored on a 55 yard pass from Biel to Dorland.

The second half was marked by intensive line play and beautiful running by both teams. The Generals were the first to score in the second half as Swinehart ran 80 yards, but the Bears came right back and in 14 plays had marched 69 yards for the tying score. Swinehart scored what proved to be the winning touchdown on a 21 yard pass from Flood.

1943-44 VARSITY BASKETBALL

Row 1. Bernie Mauty, manager, Lewy Wright, Jack Looby, Pete Cox, Marling Abel, Dave Clark, manager. Row 2. Bob Elsaesser, Bill Biel, Jim Dorland, Bevier Bell, Jack Frease, Maury Becker

The 1943-44 edition of Lehman's record-breaking Polar Bears was perhaps the most outstanding quintet in L.H.S. cage history.

The Bears were led to the heights for the second straight year under the excellent tutelage of Coach Jim Robinson, who undoubtedly should receive a large share of these successes.

Relying on Bell and Becker, reliable co-captains, and returning veterans Dorland and Elsaesser, with Frease, Wright, and Biel alternating at the fifth position, the Bears enjoyed the most successful season in cage history. Three sophomores, Cox, Abel, and Looby, although not seeing extensive service throughout the year, did gain valuable experience that should prove beneficial to them in forthcoming years.

Banking on the fact that that old axiom, "Actions speak louder than words," is true, perhaps a list of their accomplishments will more clearly illustrate the true strength of the current Bear squad.

1. Recording the greatest number of triumphs ever achieved by a Lehman team. (21)
2. Reaching the state semi-finals at Columbus before being defeated by a six point margin.
3. Scoring the greatest number of points ever racked up by a county class A team. (1061)
4. Setting a school scoring record for a single encounter. (74)
5. Placing four members on mythical all-county first two teams. (Dorland and Bell on first; Becker and Elsaesser on second.)
6. Boasting a player who was selected for first team All-Ohio. (Jim Dorland.)
7. Possessing two players who bettered county class A scoring record of 251 points (Dorland, 265; Bell, 259), and two more who tallied at least 200 points during regular season. (Becker, 202; Elsaesser, 200)
8. Defeating Massillon and Timken twice each after early season setbacks. (Con't p. 99)

Top left—"Beaver" has the situation well in hand. Top right—It looks like another two points for Lehman. Middle left—Leu pushes one up for Lehman. Middle right—A beautiful block by Bell. Lower left—This is why Lehman has dominated backboard play. Lower right—Becker high in air to send push shot on its way.

Off to Columbus

9. Collaborating with Massillon on setting a new county scoring record for a single encounter (126 points).
10. Continuing Lehman's string of 16 straight tournament victories on the Youngstown South fieldhouse floor with six straight triumphs of their own this year.
11. Scoring sixty or more points in eight regular season games.

Lehman 69

Wooster 41

Getting off to an amazingly fast start, the Polar Bears kept their basketball supremacy over Wooster intact and partly made up for a 25-19 setback inflicted by the Generals in football by romping to an easy conquest. The four returning lettermen meshed 67 of the 69 points with Dorland leading the attack with 24 markers, followed by Becker, Elsaesser, and Bell with 16, 15, and 12 respectively.

Lehman 49

Columbus East 22

Combining a smooth-passing offense with a close-checking defense, the L.H.S. cagers had little trouble in gaining their second triumph of the campaign. Dorland again topped the scorers with 15, followed by Maurice Becker, who garnered 12.

Lehman 49

Akron Ellet 51

The Bears, playing under the handicap of a combination of an off-night and a hot team, went down to a heart-breaking 51-49 defeat at the hands of a surprising Akron Ellet five, who were later to become Class B Champs. Trailing by 12 points until the waning stages of the

tilt, the Bear Basketeers rallied courageously, only to fall short of their goal by the narrowest of margins. Thompson, 6 ft. 4 in. center of the invaders, caused the Bears no end of trouble by pouring 29 points thru the hoop, while Becker topped Lehman scoring with 15.

Lehman 74

Cleve. Garfield 39

Rebounding from the Ellet defeat in excellent fashion, the charges of Coach Jim Robinson smothered an outclassed Cleveland Garfield quintet. The 74 point total set a new school scoring record as Bell and Elsaesser paced the offense with 21 and 18 counters.

Lehman 63

Salem 28

The Polar Bears displayed their best form of the campaign as they overwhelmed a good Salem team. Becker topped the offensive efforts with 19 tallies followed by Elsaesser with 16.

Lehman 54

Youngstown Wilson 37

Traveling to the spacious South fieldhouse, the Bear Basketeers downed a scrappy Wilson five with comparative ease as Dorland looped 17 markers.

Lehman 41

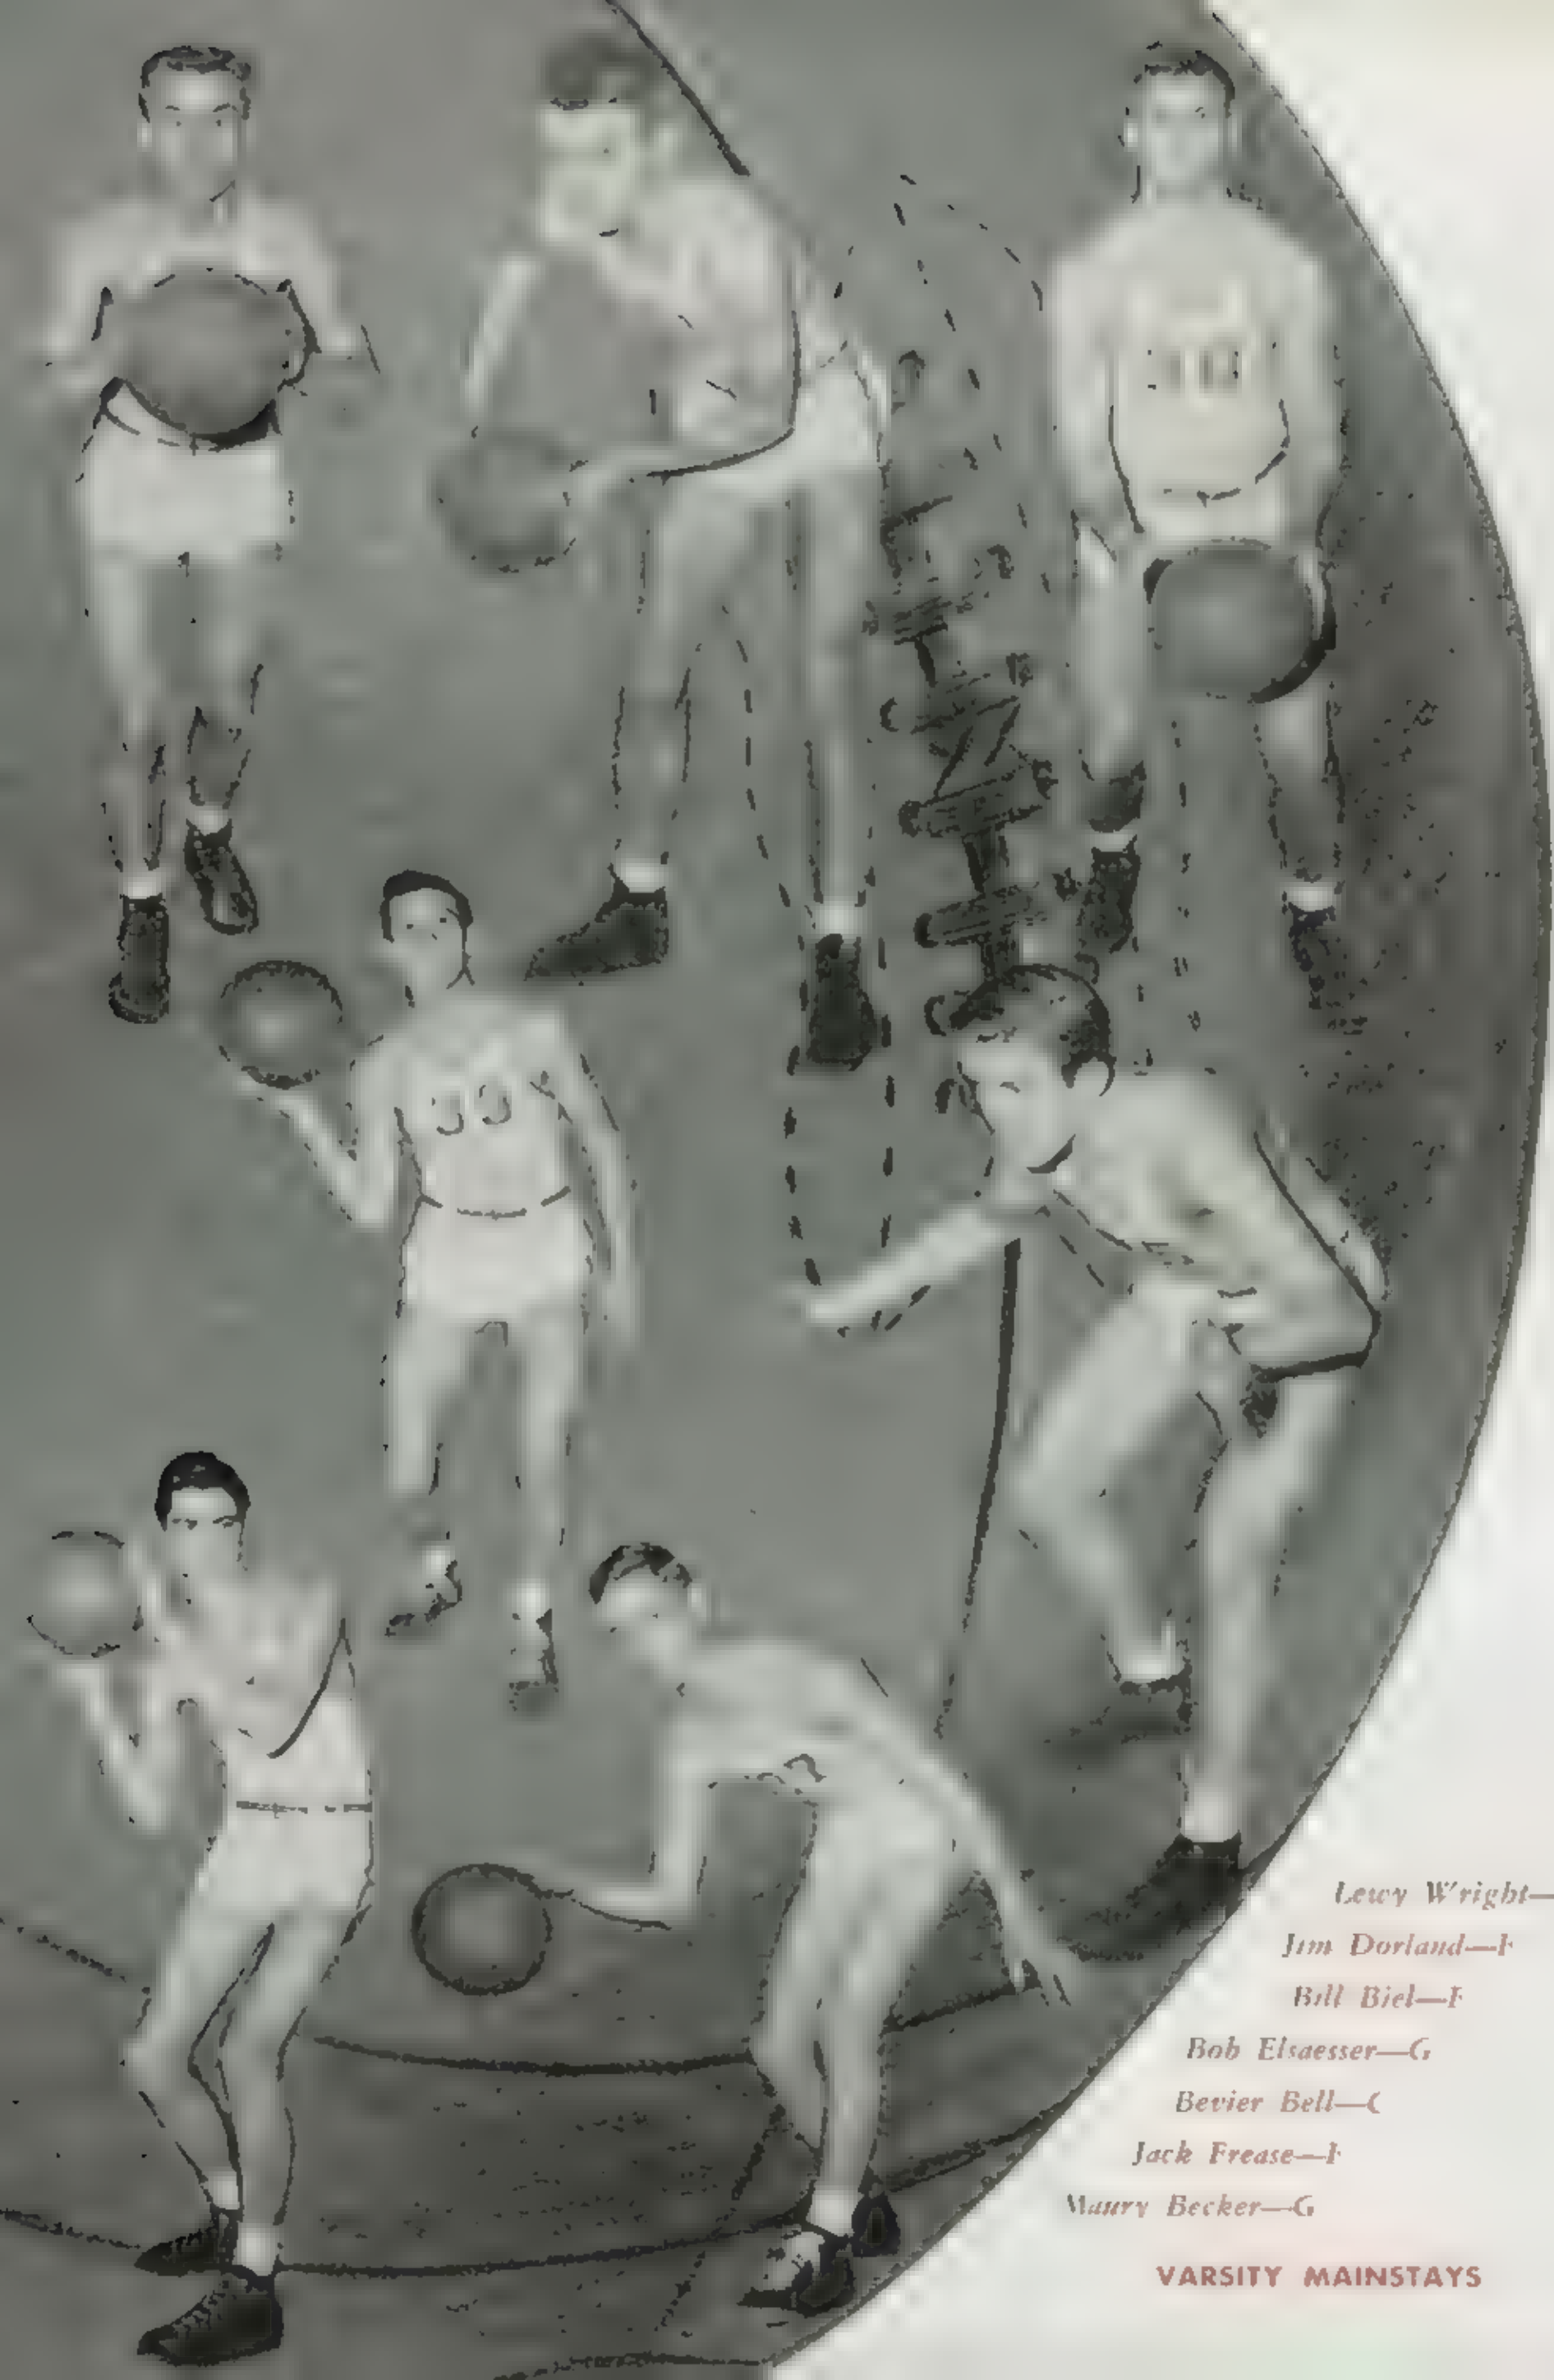

Akron Kenmore 33

The Bears again hit the road gaining their sixth victory of the campaign, this time at the expense of the Kenmore Cardinals. Dorland again led the attack with a 19 point total.

Lehman 48

Louisville 35

The Red and Gray cagers continued their winning ways by defeating Louisville in a listless encounter. Elsaesser topped the scorers with 17 markers.

VARSITY MAINSTAYS

1943-44 VARSITY BASKETBALL

Lehman 69

Lincoln 29

Hitting on all five cylinders, the L.H.S. cagers easily outclassed the Lincoln Lions by a 40 point margin. Dorland topped the evenly balanced attack with 15, followed by Bell, Becker, and Elsaesser with 14.

Lehman 40

Timken 45

Timken's undefeated and powerful Trojans handed the Bears their second loss of the campaign before a capacity crowd on the Timken floor, as Maury Becker dumped in 14 points.

Lehman 48

Zanesville 34

Rebounding from the loss to their bitter intra-city rival, the Polar Bears easily downed a game but outclassed Zanesville quintet. Co-Captains Becker and Bell topped the scorers with 14 and 13 markers respectively.

Lehman 64

Youngstown Chaney 37

"Putting the show on the road," the Bears journeyed to Youngstown and played too much second half for a fighting Chaney outfit—coming out on top by a 64-37 margin. Bell, Dorland, Becker, and Elsaesser topped the scoring, all hitting in double figures.

Lehman 60

Massillon 62

In one of the most thrilling encounters ever to be played on a local hardwood the Bears dropped a high-scoring heart-breaker to the Tigers. The lead see-sawed back and forth continually until, in the waning seconds of the last quarter, with the count tied at 60 a "desperation" heave from well past mid-court brought the defeat.

Lehman 59

Akron Kenmore 36

Playing a return engagement with the Akron Kenmore Cardinals, the Bear Basketeers easily romped to a decisive 59-36 victory. Big "Beaver" Bell headed the scorers by chalking up 19 points.

Lehman 50

Western Reserve 28

The Bears took to the road to notch their twelfth triumph of the campaign at the expense of the Academy cagers in a listless afternoon tilt that saw the L.H.S. sharpshooters off form offensively. Bell continued his great scoring splurge of recent weeks by racking up 18 markers.

Lehman 67

Massillon 59

Setting a single game scoring record, the fast-stepping Polar Bears "out-offensed" Massillon's runny Tigers and gained ample revenge for a previous 62-60 setback on the Lehman court. Both teams turned in sensational offensive exhibitions with Dorland and Elsaesser compiling 40 points between them.

Lehman 66

Akron East 38

J. R.'s charges easily outpointed the Akron East Orientals as Bell and Dorland hooped 25 and 18 points respectively.

Lehman 47

Timken 38

The Polar Bears successfully ended regular season strife on the home court by completely subduing the highly-touted Trojans to the tune of 47-38. Ahead by a single marker at the three

quarter mark, the Timkenites succumbed to a whirlwind Lehman finish. Bell, Dorland, and Elsaesser led the scoring, all hitting in double figures.

Lehman 44

Lincoln 45

Looking toward the tournament and over the heads of Lincoln's previously humbled Lions, the Red and Gray cagers were handed their fourth loss of the campaign by an inspired band of Lincoln courtmen.

Lehman 55

Boardman 33

The seeded L.H.S. cagers took the first step in the extremely difficult road to tournament victory by eliminating a capable Boardman quintet. Dorland, Elsaesser, Becker, and Bell all hit double figures to account for the win.

Lehman 58

Alliance 26

Meeting the aggressive Alliance Aviators for the first time, the charges of Coach Jim Robinson riddled with ease their county rivals' heretofore effective defense as Dorland did the most damage by hooping 21 tallies.

Lehman 58

Canton Twp. 35

"Meeting fire with fire" the Polar Bears turned the Wildcat successful first quarter fast break into a weapon of their own as they raced to decisive victory. Dorland, Elsaesser, Bell and Becker paced the attack with 16, 14, 12, and 10 points, respectively.

Lehman 44

McKinley 38

In the long awaited clash with McKinley's ever-dangerous Bulldogs, the L.H.S. courtmen proved to be complete masters of the situation as they copped the State District Championship with a 44-38 conquest. Continuing the evenly balanced attack of recent weeks, the Bears' four all-city cagers tallied 40 points among them.

Lehman 45

Massillon 39

Clashing with the Tigers for their third time this season, the Lehmanites snared the "rubber game" and eliminated the flashy Bengals from further tournament competition in another of their patented "thrillers". Bell and Elsaesser paced the attack with 14 and 11 counters respectively.

Lehman 42

Timken 37

The Polar Bears notched their twenty-first victory of the campaign and with it a trip to the State Class A Finals in Columbus by virtue of edging an extremely dangerous Timken High aggregation 42-37. The game competed a clean sweep of county rivals encountered by the Bears in tourney play. Bell and Elsaesser headed the win with 11 points followed closely by Dorland with 10.

Lehman 40

Toledo Woodward 46

Meeting the same fate encountered by all former Canton aspirants for the State Basketball Championship, the fighting Bears' quest for that coveted toga was ended abruptly by a great Toledo aggregation 46-40. Failure to connect with their customary accuracy brought the heartbreaking loss, although Biel, Bell, and Becker tallied 13, 11, and 10 points respectively.

1. Determined Bears rush from lair to meet opposition. 2. Dorland snatches pass from Aquinas defender. 3. Biel leaps high for shot in last game. 4. Bell fights for possession of ball. 5. Boys talking it over before practice session. 6. Miss Willett, "Mascot," sends the boys off in the right spirit. 7. Dorland high in air for shot against East. 8. Lehman cagers off for Columbus. 9. Lehman romps again. 10. Bell breaks through Aquinas defense to snag a long one. 11. Wright picks up yardage against Aquinas. 12. Biel smashes through Lincoln line. 13. Thatcher evades a Buchtel tackler.

The 1943-44 edition of the Polar Bear Cubs has been an exceptional one in that it has been a building year for strong quintets. Although the season record of four wins and eleven losses has not been too impressive, in the light of preparation for the future the Cub team has been a success.

Taking over the reserve helm after experiencing several successful campaigns at Twinsburg was Coach Paul Roby. Mr. Roby drilled the boys soundly in fundamentals and, by doing so, insured a sound knowledge of the game which will undoubtedly provide an excellent team with which to start off next year. Besides filling the position of reserve coach in both basketball and football, he also is a valuable assistant to J. R. in varsity sports and doubtless will serve in some capacity in the spring sports program.

GOLF

Bob Katz, Bob Elsaesser, Maury Becker.

Returning to the limelight among spring sports after an absence of several years, golf is becoming an increasingly popular pastime at L.H.S. Last year's golf squad, although not

competing in a really big-time schedule or playing extensively, did enjoy considerable success.

Coached and guided by Jim Robinson, the Lehman linksmen notched triumphs over Wooster and Timken, while tying Kent Roosevelt and Wooster in a return match. Due to their competitive inexperience the team didn't fare too well, although they did capture fifth place in the District meet at Tam O'Shanter.

Offsetting the rather mediocre season was the consistently brilliant stroking of Dick Tillett. Undoubtedly the greatest golfer ever to carry the Lehman banner, Dick shot consistently in the low and middle 70's and captured medalist honors in the district meet with an even par 71. Then, competing in the state meet at Columbus, Dick ran into a streak of tough luck and finished in ninth place among all the golfers there. Rounding out the squad were underclassmen Elsaesser, Katz, and Becker, who played at number 2, 3, and 4 positions respectively. These three boys will be back this year to form an excellent nucleus for an ambitious spring schedule.

Front row—Jim Ray, Harold Walters, Jack Bobbitt, Don Kempf, Jim Cline, Dale Scott
Back row—Bob Himmelright, Dave Scott, Chet Hanning, Jim Clark, Ed Thatcher, Bill Walker, Bill Biel

Having a good nucleus with which to work, the Lehman coaches again turned out a good track team in 1943. With Dave Scott the leading point winner, the Bears gave a good account of themselves in the McKinley, Uhrichsville, and Newark Relays, and the Salem District meet. They also fared well in their three dual meets with Ravenna, Western Reserve Academy, and Louisville.

With Bob Himmelright and Ed Thatcher as the only returning lettermen, this spring's tracksters are getting in shape for their first meet. Although no schedule has been definitely arranged, a tentative one is awaiting approval. Here's hoping for another good season.

ATHLETIC MANAGERS

Front row—Jerry Holl, Bob Milbrodt, Tom Hannon.
Back row—Bernie Maury, Dave Clark, Bill Baker, Dick Hannon

BOYS' LEADERS CLUB

Front Row—Dave Collins, Russell Janson, Ed Steiner, Ned Paca, "Red" Numer, Dick Manos, Hap Dinsmore, Dale Moreland, Harry Coyle, Dick Mong, Eugene Marconi, John Weaver

Back Row—Elmer White, Paul Arena, Don Assel, Don Judisch, Jim Ray, Fred Schneider, Bill Barker, John Wright, Dick Janson

The Boys Leaders Club, composed of all gymnastically minded boys, meets every Thursday night in the Lehman gym, at which time they try to better themselves in their selected fields.

Under the able direction of Coach Robinson, the boys perform between halves of the basketball games, and put on a special exhibition in the spring of the year.

The officers are president, Fred Schneider, vice-presidents, Richard Janson and Paul Arena; secretary, John Wright; treasurer, Jim Art.

INTRAMURAL BASKETBALL

Top Left—B Seniors. Seated—Marvin Lichtenstein, Ed Thatcher, Paul Arena. Standing—Joe Wagner, Roy Schwitzgebel, Bob Himmelright.
Top Right—A Juniors. Seated—Jim Kelly, Paul Hartung, Jerry Holl. Standing—Bill Snyder, John Horger, Jack Shearer
Bottom Left—A Sophomores. Seated—Dave Puddington, Phil Hungerford, Tom Raber. Standing—Jack Looby, Norm Jackson, Paul Vicker
Bottom Middle—A Seniors. Seated—Dick Spilker, Dave Livingston, Dan Friedman. Standing—Bob Ecker, Don Michel, John Dreher. Absent: Jim Farinet
Bottom Right—A Freshmen. Seated—Jack Holl, Bill Eckert, John Maxson. Standing—Dean Becker, Tom Wuske

The intramural teams in the A league again played a round-robin schedule with the Sophomore A team finishing on top with a record of eight wins and no losses. They were followed closely by the Senior A team with six wins and two losses. The Juniors, Freshmen, Sophomore C's, and Sophomore B's trailed in that order.

The B league teams also played a round robin schedule with the Senior B team winning with a perfect record of five wins and no losses. The Junior Pirates ran a close second with four wins and one setback. The Junior Indians, Sophomores, Frosh Tigers, and Frosh Pups finished in that order.

The Lehman Girls' Leaders Club is an interesting and progressive organization. It combines fair play with a lot of fun. These young misses take part in basketball, volleyball, cageball, ping pong, and badminton—all promote a sense of rhythm and a sound mind. Under the able direction of Miss Ruth Sickafosse, the girls learn to dribble, pivot, and "sink 'em in."

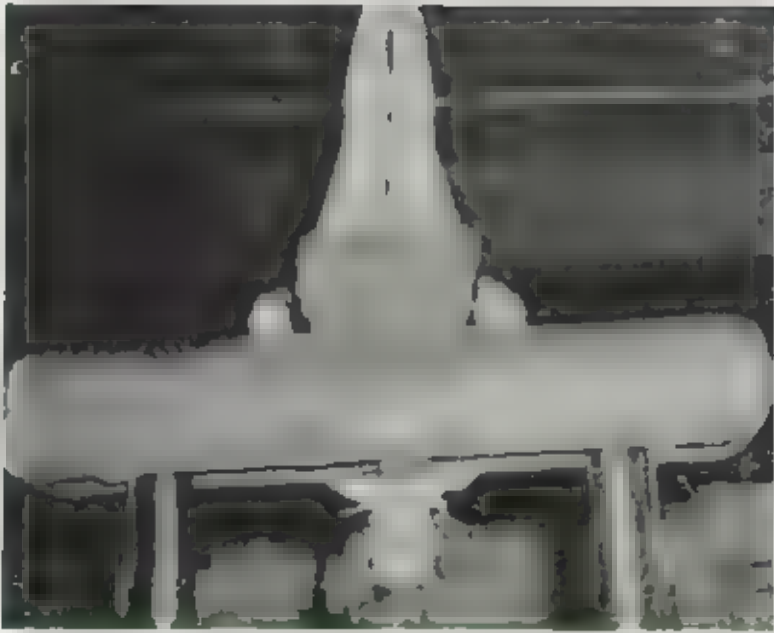

To be a member of Leaders Club, a girl must be either a sophomore or junior. She must have athletic ability and be willing to cooperate. Tryouts are held in the spring, and standing members of Leaders Club vote on the girls to be admitted.

This year's officers included Marilyn Franz, president; Jackie Smith, vice-president; Shirley Smith, secretary; and Ginny Fick, treasurer.

For the third consecutive year, the Grays have triumphed over the Scarlets. Although off to a bad start, the victorious team edged their opponents five games out of the nine played. The games, which were played November 17, 18, and 19, were exciting and tense.

Donna Mowry, captain of the winning team, has been on Scarlet and Gray all her four years at Ichman, while the captain of the Scarlet, Dorothy Stebbins, made her first appearance on the all-star team this year.

MINOR SPORTS

*Upper left—Oops! Just missed it! Upper right—Just try to get this ball!
Lower left—Behind the "basket" ball. Lower right—Get the ball . . . quick!*

Girls from all gym classes signed up for badminton and ping pong this year. In ping pong, two games were played to determine the winner, and in close contests a third game was required. At the conclusion of all games, the four class victors in ping pong were Maryella Helms, senior; Dorothy Katz, junior; Barbara Johnson, sophomore, and Ellen Sinclair, freshman. These four winners battled it out, and Maryella came out on top as school champion.

Badminton kept its position in minor sports and after much "killing of the bird," Gerry Staley gave the seniors a winner, while Sue Cornish, Marion Volzer, and Ann Leonard, junior, sophomore, and freshman, respectively, were named champs for their classes.

"Is there volleyball practice tonight?" "Are you staying for volleyball?" These are samples of some of the questions which circulate through the Lehman halls during the days of volleyball season. One hundred fifty-two of the fair sex turned out this year, and because of this large number, the class teams were sub-divided into two teams called the Scarlet and Gray. Each team played each other twice, and at the end of the tournament the mighty Senior Grays were on top with a record of all games won. Marilyn Franz was captain of this team.

Every other year brings to Lehman a strong basketball team, and this year was no exception. The stalwart junior class team won the basketball tournament, with a record of being victors in all games they played.

Girls interested in basketball turned out en masse. Three teams were required for the large freshman group, sophomore and juniors had two teams, while the mighty seniors had only one.

We take off our hats to Josie Wise, a graduate of last year, who refereed all the inter-class games and also the Scarlet and Gray Reserve game.

DIAL 3 9131

TO THE MEN AND WOMEN OF THE CLASS OF 1944

Now that you are graduated from good old Lehman High, you may wish to work a year or two to earn money for college expenses, or perhaps you intend to start right in your business career. In either case, you are cordially invited to come out and inspect our plant and office. We have real opportunities for a few young men and women of the right type.

HEATING UP THE "WILL TO WIN"

The real HEAT in this war is being generated by the men and women and kids who are working hard on their various jobs.

But it seems this heat is diluted somewhat by the few folks who lead the cheering sections and make neat gestures. They generate about as much heat as the kick of a dead frog wired to a galvanic battery.

The Will to Win is no more nor less than the Will to Work plus the Will to Sacrifice plus the Will to Fight plus the Will to Grin about it.

If you want to get HOT about this war, look to your own output of thermal units, and stop fretting about the other guy's temperature.

CLIMALENE
makes the
BIG DIFFERENCE

Don't Wipe Dishes . . .
Use **SAVEX** . . . That
New Climalene Product

You may use Climalene just because you know it softens water and makes the suds so much richer and longer lasting

But it does far more than that. Climalene dissolves grease that holds dirt to the clothes . . . makes them sparkling white—with less soap and without a bleach.

Enjoy these BIG 4 Advantages:

1. Gets out heavy dirt
2. Saves hard rubbing
3. Makes clothes whiter
4. Boosts suds . . . SAVES SOAP
